Dear All,

As you may know, Mutual Re was founded at the NAMIC annual convention in 1921. In preparation for our 100-year anniversary in 2021, Mutual Re is pleased to introduce our centennial logo.

You will begin to see the new logo as 2021 draws closer and for the entirety of our anniversary year. It will become part of the celebration of our heritage that will culminate at the 2021 NAMIC convention in Nashville, TN.

We are proud to have served the insurance community for such an extended period, and we look forward to continuing our service with excellent security well into the future. To that end, and as part of our culture of continuous improvement, Mutual Re has launched a new website which you can view at mutualre.com. Our new site is more intuitive, more informative, and more interactive than our previous website.

Mutual Re is a joint underwriting association consisting of five financially secure assuming companies prepared to meet your reinsurance needs. We continue to believe that we provide the strongest security in the industry due to our truly unique JOINT BUT NOT SEVERAL structure. You can read more about our one-of-a-kind structure on our website.
