2023 Employee Appreciation Day

Lake Geneva Mailboat Tour and Lunch at Pier 290

Mutual Re employees were treated to a relaxing day in Lake Geneva, Wisconsin on Wednesday, July 12, 2023. The morning began with a two and a half hour mailboat tour, which delivers mail to about 75 homes around the lake daily while giving an in-dept narration of the Lake Geneva area and its historic estates.

Lunch was held in a private room at Geneva Lake's lakeside restaurant Pier 290 in Williams Bay, Wisconsin. Everyone enjoyed a bit of competition after lunch with a "Celebrity Name Game" before boarding the bus back to the office.

Everyone enjoyed having this time to take a break from the normal work day while enjoying some social time and team building together all while feeling appreciated for their hard work and dedication at Mutual Re.
