# 2025 Employee Appreciation

Charlotte Harbor, Florida February 2025

At Mutual Re, we believe that our team is the heartbeat of everything we do. To show our gratitude for their hard work and dedication, we hosted a special Employee Appreciation Event in the beautiful setting of Florida's Sunseeker Resort in Charlotte Harbor, Florida.

The team enjoyed a mix of relaxation and adventure at this special location.

- Thursday Evening Reception at the resort's Sunset Point location
- Friday Boat Tour on the Bay with lunch on Cabbage Key Island
- Friday Evening Dinner at the resort's Maury's Steak, Seafood & Spirits
- Saturday Shopping and Lunch at Punta Gorda's Fisherman's Village
- Saturday Afternoon Scavenger Hunt in Downtown Punta Gorda
- Saturday Evening Closing Reception at the resort's Level Blue Rooftop Pool

From delicious food and refreshing drinks, to engaging activities and connecting conversations, the event was filled with moments that reminded us of the strength and camaraderie within our team. It was more than just a getaway – it was a celebration of our shared success and a chance to say “thank you” in a meaningful way.

We are incredibly proud of the culture we have built together, and events like this remind us why our people are our greatest asset.

Here's to many more moments of appreciation, connection, and celebration!
